

# “Thanksgiving”

- Rev Philip Oyewale

## Dear Beloved

I bring you greetings in the name that is above every other name, Jesus Christ the Son of the Living God and our soon coming King. It is with great joy that I welcome you to the first Sunday of the month of January and of the year 2016; our year of Supernatural Occurrences. It is my prayer that the Lord will visit you in a supernatural manner, put a

song in your mouth and cause you to dance throughout the year in Jesus name.

It will be expedient for us to start the year with thanksgiving, because the scripture says, 'God will make a grateful heart fat'. Psalm 136:1-4 states 'Thank God! He deserves your thanks. His love never quits. Thank the God of all gods, His love never quits. Thank the Lord of all lords. His love never quits. Thank the miracle-working God, His love never quits.'

We must thank Him for making it possible for us to see another year. Indeed, God has been so good to us. Lamentation 3:22 says "it is of the Lord's mercies that we are not consumed, because His compassions fail not." We must take time to reflect on the past years, think about His love for us and our household, think about where we were last year and where we are now, think about where He has

brought us from and how far He has taken us. Think about all the things that could have happened that never happened and all the things that He delivered us from.

I come to challenge you this morning to go out of your way and truly give your best to the giver of life. Put on your dancing shoes and really rejoice before Him. Make Him your audience. Thank Him for your health; thank Him for your family, marriage and for the seen and unseen miracles and much more for the things that He is yet to do.

Don't stop at that; also ensure you package a worthy offering. David said I will not offer unto God that which costs me nothing. Let your offering truly honor Him. Remember you did not come to 'tip' God, so let Him see how grateful you are. He deserves every praise, honor and thanksgiving. Let us truly rejoice before our maker.

Go into this year rejoicing in His faithfulness knowing that faithful is He who has called you and He will also do it. This is your year of supernatural occurrences and pleasant surprises await you.

Maranatha!
